Goodwill Christian College for Women has been at the forefront of empowering women belonging to the Karnataka Central Diocese. The institution is affiliated to Bangalore University and is accredited by NAAC. Keeping quality as the defining goal of education, the institution strives to stimulate innovation and create opportunities for students to become creative visionaries. A special focus on those at the periphery of human society is laid, by inspiring fresh ideas with insightfulness and scholarly thinking to achieve academic excellence. The motive behind the inception of this institution was to facilitate higher education and greater empowerment of young women to face the challenges of life. In a span of 19 years, the institution has grown in stature, providing quality education and facilitating the holistic development of personality of students.

About the College:

Living in times of a rapidly changing world, dictated by the progress in technology, it is the demand of the day to look ahead and update teaching methods. It has become increasingly important, to infuse technology, with the good old traditional methods of teaching to create an ingenious outcome. Using technology with relevance to teaching and developing the necessary faculty to deliver them is a demanding task for institution of higher education. This task also calls for rekindling professionalism among the teaching fraternity. We are in the midst of a revolution and thus it is important to upgrade and enlighten the faculty to be open to new trends in teaching and learning.

In this context, higher education institutions need to encourage the teaching fraternity, to acquire the necessary skills and develop the right attitude, to make classroom teaching, engaging and interesting to learners. In order to provide insight into the tools & techniques that can enhance quality and enable teachers to offer rich learning experience to students, a One Day FDP titled “Quality Enhancement in Teaching - Learning Processes” has been organized.

OBJECTIVES:

- To provide an insight into the various techniques for making learning effective.
- To understand the need to upgrade the skills in Teaching – Learning.
- To develop the right attitude for engaging learners effectively.

Resource Person:
