

GOODWILL CHRISTIAN COLLEGE FOR WOMEN

IQAC Minutes of the meeting held on Monday, 20th January 2020 in the College Library.

The meeting started with an opening Prayer by Dr. Lydia Glory.I.

Staff Related Issues

Staff were encouraged to conduct programs in order to create awareness to students about the importance of science in society and nurture the scientific temper within them.

They were also asked to enlighten the students regarding the empowerment of women equality in IT Industry.

Staff also brought in ideas to take students to various industrial visits like stock exchange center, hospitals catering to care of senior citizens and little children to instill in them qualities of a good citizen.

A green drive initiative at college campus was also discussed, alongside with waste management, blood donation drive and awareness of common diseases that were prevalent in the current time and their preventive methods to people in the neighborhood.

Student Related Issues:

The students were exposed to various seminars, workshops and field work to enhance their personality.

Career Guidance and Placements Drives were regularly conducted every semester.

Programs like visiting the inmates of Spastic Society was initiated in order to engage and contribute their responsibility towards the local community.

They were also asked to visit a Geartric ward to learn about health hygiene procedures and also share their knowledge to students in a nearby government school

Students actively participated in Swachh Bharat programs and did multiple drives.

Under the banner of NSS & Red Ribbon Club programs like AIDS AWARENESS and similar initiatives were taken.

College Infrastructure: Staff raised a requirement for some more furnitures and fixtures.

More toilet facilities were also on the agenda for staff.

Seating facilities in the outdoor campus for students.

A mini floating over head cover for the outdoor stage.

Library Requirements: Addition of some books, racks and other necessities to organise the library.

MOU: The Institution is working towards having more number of MOUs with other educational, professional institutions along with industry to enhance staff and students interaction to widen their horizon of learning and gaining opportunities.

Research related: We also discussed on increase of research related projects and mini research projects.

Exchange programmes for staff and students with other universities should also be initiated.

The meeting concluded with a closing prayer by Mrs. Cynthia E Theodore.
